Here's the draw results for the 2010 World Cup. A decent draw for some of the bigger teams although at this stage no group can be classed as an easy group. However Spain, England and France got the best draws of the "big" sides and should be happy with the groups they've been drawn in for the upcoming World Cup in South Africa. Brazil, Portugal, Ivory Coast should make for a few good games and will be a tough group.

Football fans will be desperate for the Summer to come!
